SUMMARY STATEMENT:

The School Board is being asked to approve the purchase of UPS equipment from Provantage LLC

ISSUE:

Board Policy governs the district's purchasing and contracting procedures. Board Policy requires Board approval for expenditures and financial obligations over \$25,000.

BACKGROUND:

This purchase is for the Uninterruptible Power Supply (UPS) for the school district's alternate server room facility in the Maintenance and operations building/Central Receiving (CR). This proposed device will provide adequate uninterrupted clean power for the district's servers located at the CR building. The unit is identical to the one we have deployed at the KHS Server room facility and will allow us to exchange batteries and power modules between them. The servers at the CR location include district video security, district environmental controls and district data offsite backups. Adequate power supply is required to make progress with the IT plan to upgrade the legacy equipment at that location, including server replacements. In addition to reliability of the district systems it will also allow us an additional level of system backups, flexibility, load balancing and redundancy between buildings that we currently do not have.

Provantage was the only responder to a request for quotes. The IT Department determined that the quoted price was fair and met all requirements for the project. Products required are as follows:

- a. One (1) ISX20K20F Infrastructure UPS 20KW 208V with batteries
- b. One (1) SYCFXR8S SymMetra PX 40KVA Extended Run Frame with batteries & Start-up Service

RECOMMENDATION:

Approval of the purchase of UPS equipment from Provantage LLC

FISCAL NOTE:

EXPENDITURE	AMOUNT
REQUIRED <u>\$29,500</u>	BUDGETED* <u>\$29,500</u>

*FY21 Budget includes \$107,400 for Equipment

ATTACHMENTS:

- Provantage Quote

RECOMMENDED ACTION:

"I move that the Board of Education approve the purchase of Uninterruptible Power Supply (UPS) Equipment from Provantage LLC in the amount of \$29,500."
