- Smart Start to 2020 Report-Superintendent Lougee

Superintendent Comment: Tonight you will listen to a presentation about the reopen/restart of the 2020-2021 school year. We have created this plan to aid in navigating the reestablishment of our schools where employees, students, and families feel safe and to reduce the impact of COVID-19 conditions upon returning to school. The guidelines referenced in this plan are based on guidance from the Centers for Disease Control and Prevention (CDC) and World Health Organization (WHO). Regular updates will be made to this plan throughout the summer and up until the day of school starting, based on information provided by the CDC, WHO, and applicable federal, state and local agencies.

The Smart Start 2020 Plan outlines different levels of being able to reopen and restart school. We do not get to “pick” a plan as the different levels will determine what plan we utilize to start school and continue school. COVID 19 started swift and we had to move fast as we ended the school year. The Smart Start Plan allows us to start school based on the level of where we are as a community and state and adjust learning should there be a need based on COVID 19 cases.

Summer School and ESY Services

KGBSD COVID-19 Continuity of Learning Plan Timeline

<p>June 15 - July 23</p>	<p>July 13-August 13</p>	<p>August 25-September X -Staff</p>	<p>TBA-Student Start and End Dates</p>
<p>Summer School</p>	<p>Extended School Year (Students w/ Special Needs only)</p>	<p>Smart Start 2020</p>	<p>Smart Start 2020</p>
<p>We continue to be dedicated to your child's academic and social emotional education. Your child is invited to attend summer school June 15th through July 23rd. With social distancing mandates still in place, we will be offering summer school instruction remotely through ZOOM sessions with a daily schedule of activities. This year's summer school will be open to ALL students enrolled in KGBSD grades K-12 and can be registered by a parent/guardian.</p> <p>This year's summer school will run Monday-Thursday from 9:00-12:00pm with a 45 min break for lunch from 12:00-12:45pm. After lunch we will offer enrichment opportunities till 1:45pm. The focus of summer school will be math and literacy tasks daily with weekly science and art options. More details will follow.</p>			

Extended School Year Draft Plan

- **Schedule** (*days, times, weekly overview*)

- Dates: July 13 through August 13

- 2 daily sessions -one morning and one afternoon, 2 hours a piece

- 4 days a week -Monday through Thursday

- 8:30am - 10:30am -one hour break- 11:30am -1:30pm

- — Master schedule for all ESY students and staff, as well as sub-schedules to accommodate families who may opt for home visits or online options. This is a longer day for staff, but it keeps the numbers low and more in line with the Smart Start plan.

- **Building Location** (*who is in which rooms and when*)

- KCS is the ESY building

- Which classrooms will be utilized and by whom (room numbers & teachers) (I have emailed Kayla to ask about rooms.)

- **Number of Students**

- Expecting 60 students -5 students per teacher, per session (30 students in the morning, 30 in the afternoon)

- — Referencing the Smart Start 2020 team's recommendation of starting the regular 2020-21 school year at a "Medium Risk Level," where only 25% of students are allowed into school buildings at a time, the total number of students potentially attending school would be significantly less than 25% of all students in the district

- **Number (kind) of Staff**

- 6 special education teachers

- 1 speech language pathologist

- 1 speech language ESP (para)

- 12 ESP's (para's -2 ESP's per sped teacher)

- 1 administrative assistance (office staff)

- **Supplementary Services** (*home visits, asynchronous material, Zoom sessions*)

- Breakfast for morning group, lunch for afternoon group

- — Coordinate with food services/ESY staff

- Home visits will be offered for individualized support (pending district approval)

- Zoom office hours may be offered to families/students who may not feel comfortable participating in person

- Asynchronous material/resources for all families offered (not required)

- Deliver kits to homes when families want ESY services, but don't feel comfortable coming to the physical school building
