SUMMARY STATEMENT:

The School Board is being asked to approve temporary suspension of portions of Board Policy 6146.1 –High School Graduation Requirements.

ISSUE:

Board Bylaw 9314 allows for suspension of policy for a specific purpose and limited time by a majority vote of the School Board. The suspension of specific graduation requirements is being requested to apply to the 2020 high school seniors due to the pandemic crisis of COVID-19. The requirements to be suspended are the:

- Requirement to take the WorkKeys, ACT, or SAT assessment;
- Requirement for 100 hours of work experience, community service or combination; and the
- Requirement to complete the State of Alaska Job Application.

BACKGROUND:

Due to the COVID-19 Pandemic Crisis and Federal and State mandates for school closures starting in March 2020 and lasting at a minimum of time through June 2020, there is a need to temporarily suspend the following provision of BP 6146.1 ("Graduation Requirements"): "Additional requirements include 100 hours of work experience or community service, completion of the State of Alaska Job Application and participation in the WorkKeys or ACT or SAT assessment." The temporary suspension of this provision is needed due to the impact it has on 33 seniors. Due to lack of devices, internet access, and a borough recommended shelter in place these requirements need to be suspended at this time.

RECOMMENDATION:

Approval of the temporary suspension of a portion of BP 6146.1 ("High School Graduation Requirements") (and the corresponding AR), specifically the following provision: "Additional requirements include 100 hours of work experience or community service, completion of the State of Alaska Job Application and participation in the WorkKeys or ACT or SAT assessment." It is recommended that this suspension be applicable from the effective date through June 30, 2020 only.

SUSPENSION OF POLICIES, BYLAWS, ADMINISTRATIVE REGULATIONS

Note: Policies require frequent updating. The School Board should not be forced into a position of strict adherence to policies that need revision or are out of compliance. By allowing the suspension of policy on the rare occasions when necessary, this optional policy ensures that the Board's capacity to govern will not be limited by out-of-date policies. The suspension is a temporary measure to give the Board adequate time to study the issues resulting in the suspension.

Policies, bylaws and administrative regulations may be suspended for a specific purpose and limited time by majority vote. Suspension of any policy, bylaw or administrative regulation shall undergo the following consideration:

1. Policies, bylaws or administrative regulations shall be reviewed on their own merits rather than the circumstances of the moment.
2. The School Board shall decide whether the policy, bylaw or administrative regulation still reflects the intent of the Board and the law. If so, the suspension will be denied and the policy, bylaw or administrative regulation reaffirmed in the minutes.

Superintendent or Designee's Authority

The Superintendent or designee may suspend all or part of any policy, bylaw or administrative regulation when it conflicts with state or federal law or regulations. The Superintendent or designee shall report the suspension to the Board. Suspension shall be valid until the policy, bylaw or administrative regulation is rescinded, amended or reaffirmed.
