

Notes from KGBSD Work Session

Wednesday, October 16, 2019

INSTRUCTION

Review test data quarterly including AIMSWEB for grades K-8 and MAPS for grades 9-12 so that decision-making is data driven. Study Tier II in the MTSS database.

Work to close the achievement gap between Alaska Native/American Indian students and the general student population with particular attention to attendance, graduation and drop-out rates.

Reduce intra-district transfers of Alaska Native/American Indian students.

SAFETY

Continue to address issues of sexual harassment and assault.

Continue to support integration of trauma sensitive and trauma engaged education. (EX: How do we as a Board assure that every student is fed?)

(Provided by Board Member Diane Gubatayao from the October work session with initial discussion on goal setting.)
