RE: Approximate travel costs to March fly-in

Board Members have expressed an interest in attending the March 2020 Legislative Fly-In in Juneau hosted by the Association of Alaska School Boards (AASB).

The description from the AASB website states that: "...the Fly-ins equip you with the basics of the legislative process and help you connect with your legislative delegation. In addition to meeting with their legislators, board members learn about legislation that will impact their district, issues influencing education in Alaska and the nation, how to be more effective leaders on their board, successes of other districts across the state, and more."

As this is being prepared, the February Fly-In is occurring, so the AASB has not yet posted specific information with prices for the March Fly-In which is March 28-31, 2020. However, approximate costs can be estimated based on the February fly-in:

Approximate costs per individual = \$1533 (Registration=\$475; Hotel - \$139 per night x 4 nights =\$556; Airfare = currently \$290; per diem - \$50x4 nights = \$200; airport ferry=\$12).

Board's Travel budget balance = \$4,674
