VIRTUAL EVENT TECHNICAL REQUIREMENTS

AASB wants to ensure that every attendee has a positive, engaging event experience.

To fully participate in AASB's Virtual Fall Boardsmanship Academy, attendees will need access to a computer and a stable internet connection.

We encourage districts with the ability to do so, meet, connect, and learn together at their district office for this virtual event. If boards cannot gather as a group, we strongly encourage providing space at schools, so board members have access to a reliable internet connection.
