PUBLIC COMPLAINTS CONCERNING DISCRIMINATION

BP 1312.3(a)

Note: 4 AAC 06.560 mandates that the district adopt and make available to the public written grievance procedures for violations of A.S. 14.18 or 4 AAC 06.500 - 4 AAC 06.600, governing sex and race discrimination. The following sample policy and regulations should be revised as deemed appropriate within the parameters of law.

The School Board recognizes that the district has primary responsibility for ensuring that it complies with state and federal laws and regulations governing educational programs. Furthermore, the School Board seeks to ensure that students, regardless of ethnicity, race, religion, disability, gender identity, sexual orientation or socioeconomic background, do not disproportionately experience suspension, expulsion, other disciplinary actions, nor any form of discrimination. The School District will ensure that opportunities and courses are offered and accessible to all students in a fair manner and without discrimination. The Superintendent or their designee shall establish procedures to investigate and seek to resolve complaints alleging unlawful discrimination related to educational programs and activities.

The School Board acknowledges and respects student and employee rights to privacy. Complaints shall be investigated in a manner that protects these rights.
