SUMMARY STATEMENT:

The School Board's approval is sought for the Ketchikan High School Track & Field team to travel to Oregon in April 2024

ISSUE:

Per Board Policy 6153, all school-sponsored trips to out-of-state locations require approval of the School Board.

BACKGROUND:

The Ketchikan Kings Track and field team will be traveling on their annual trip to the Lower 48 to compete. I have been chaperoning this trip since 2012 when I brought a group of Ketchikan Athletes to Whidbey Island. After a 3-year Hiatus due to the pandemic we again hit the road in 2023 and traveled again to Whidbey Island and Forks, Washington to compete. This year we will leave a week early so our athletes that participate in Music Fest will get a chance to make the team. This year our scheduled meets will be on the 4 th of April in Astoria Oregon and the 6 th of April in Estacada, Oregon. This is paid for by fundraising.

RECOMMENDATION:

School administration recommends approval.

ATTACHMENTS:

- ASAA approved Out of State Travel Form
- Letter to the Board

FISCAL NOTE:

Funds for the trip will come 100% from raised funds.

RECOMMENDED ACTION (***ONLY if not approved as part of the Consent Calendar***):

"I move that the Board of Education approve the out-of-state travel request for the KHS Track & Field team to travel to meets in Oregon in April 2024."

Board Members-

The Ketchikan Kings Track and field team will be traveling on their annual trip to the Lower 48 to compete. I have been chaperoning this trip since 2012 when I brought a group of Ketchikan Athletes to Whidbey Island. After a 3-year Hiatus due to the pandemic we again hit the road in 2023 and traveled again to Whidbey Island and Forks, Washington to compete. This year our scheduled meets will be on the 4th of April in Astoria Oregon and the 6th of April in Estacada, Oregon. This is paid for by fundraising.

We used to compete in British Columbia but the lack of Ferry Service made that trip impossible to continue. We decide to make our only out of region trips South to the Lower 48 Vs. going to the Road System in Alaska to compete for various reasons.

Opportunity for Athletes : We can compete in two meets in Oregon or Washington vs one if we traveled in state. (To the invitational in the Dome in Anchorage).

Lodging: Schools host us so we can group house for the majority of the trip. (We always group house during Region travel but this is sometimes not an option in Anchorage).

Thanks for your time-

Alex Pennino, Ketchikan Kings Track and Field.
