**SUMMARY STATEMENT:**

The School Board is being asked to approve the purchase of security cameras, devices and associated installation hardware for District buildings, beginning with Ketchikan High School in the total amount of \$103,698.87.

**BACKGROUND:**

The upgrade of security equipment has been an ongoing district project. This year, Bob Hewitt acted as Project Manager and coordinated the efforts of the Maintenance Department and Technology Department to address the needs that were pointed out in the Safe Havens report (2014) and the Security Assessment Report and the Recommendations prepared by Security Risk Management Consultants (2021). This is the beginning of a multi-stage project to address the upgrade of security in all district buildings.

**ISSUE:**

Ordering and installation of this equipment will continue the project with the goal of providing necessary wireless coverage for student and staff wireless device use.
