SUMMARY STATEMENT:

ALICE training occurred with the administrative team in August 2019. Staff, during Early Release Wednesdays, went through the online ALICE training modules between November 2019 and January 2020. Currently KGBSD has shared the Family Module on our website and through social media. In addition, schools have scheduled a Family Outreach session so that families can go in and review the ALICE curriculum.

ISSUE: The ALICE curriculum needs to be approved by the school board.

Due to copyright and volume of materials, the curriculum is not being provided with this packet.

More details on the curriculum will be provided at the Board meeting, and through the sessions noted above.

BACKGROUND: There has never been an ALICE type of curriculum in KGBSD.

RECOMMENDATION: Approval of the ALICE curriculum for K-12 instruction.

FISCAL NOTE:

The curriculum came with the teacher modules so there will not be an additional expense.

RECOMMENDED ACTION:

“I move that the Board of Education approve the ALICE curriculum for K-12 classrooms.”
