

RELATIONS BETWEEN SOVEREIGN NATIONS AND THE SCHOOLS

The School Board President shall engage the elected leadership of the tribal governments in order to arrange formal consultation between the governing bodies. The School Board shall make reasonable effort to meet annually (at a minimum) with each tribal government within the School District.

In the spirit of reciprocity, the first meeting of the year shall be hosted by the School Board, funded by the Board budget. Each governing body shall appoint representatives to collaboratively develop an agenda for the meeting.
