

AT-RISK YOUTHS

The School Board believes that, in order to benefit from a learning environment, students must be as free as possible from the dilemma imposed by personal and societal problems. Danger signs for the various at-risk categories must be taken seriously. District personnel must be concerned for the personal development of students, as well as their academic development.

The Superintendent or designee may investigate and recommend programs which will address the needs of at-risk youths. At-risk youths include, but are not limited to, those students who abuse drugs or alcohol, are suicidal, exhibit serious attendance problems, drop out of school, are abused or disadvantaged children, or are pregnant or parenting minors.
