

RELATIONS BETWEEN SOVEREIGN NATIONS AND THE SCHOOLS

The School Board recognizes that sovereign nations share its concern and responsibility for the welfare, health and safety of our youth. The Board and staff shall consult with our local tribal governments and seek to work cooperatively for the benefit of our students.

The School Board shall initiate and maintain good working relationships with representatives of tribal governments in order to help our schools and students succeed. The Superintendent or designee shall ensure that agreements with tribal governments, which involve the exchange of funds or reciprocal services, are executed in writing so that roles and responsibilities are clearly defined.
